ALL OLGA'S KITCHEN RESTAURANTS BECOME SMOKE FREE MARCH 15

TROY, MI – March 6, 2007 – On March 15, 2007 all Olga's Kitchen restaurants will offer a smoke free environment for guests and employees. On March 1, Olga's began displaying a counter card at each location to notify their guests of the March 15th switch to completely smoke free restaurants. Several of Olga's restaurants are already smoke free.

"We made the decision two years ago that all newly constructed and remodeled Olga's Kitchen restaurants would open as smoke free environments. Some of our locations are already smoke free as they do not have space for an appropriate smoking section," said Olga's Kitchen, Inc. President Michael Jordan. "Beginning on March 15, the rest of our locations in Michigan, Ohio and Illinois will follow suit. It's a trend that is growing nationwide and we want to provide the best dining and work atmosphere for all of our guests and staff." Last year Olga's opened locations in Allen Park, East Grand Rapids, Bloomfield Township and St. Clair Shores, Mich.; Olga's newest restaurant opened in February at Auburn Square, Auburn Hills, Mich.

The Michigan-based company, with more than 1,400 employees, is known for its signature favorite, the Original Olga®, broiled, seasoned beef and lamb topped with onions, tomatoes, and Olgasauce wrapped in a hot, grilled-to-order secret recipe Olga Bread. Olga's Kitchen serves lunch and dinner.
